

Information and Advice for Neurodivergent People and their Families

An e-booklet, aiming to improve the information and support available for neurodivergent people and their families, has been published and is available on the **news page of the Dimensions of Health and Wellbeing website**.

This e-booklet has been co-produced with neurodivergent people, their families and professionals across Coventry and Warwickshire. It provides a wealth of information all in one place about services and support available for those who are diagnosed or who self-identify as neurodivergent, and those who care for and support them.
